St. Paul's Jr. Kindergarten specializes in creative, highly organized, and balanced programming for young children in a nurturing, Christian environment. There are individual, small group, and large group times. There is time to play and time to learn. We offer flexible programming to work around today's families' complex schedules. We feature a low teacher to student ratio and encourage parents to volunteer in the classroom. We have a highly trained, experienced, and committed staff. Junior Kindergarten will be taught by Mrs. Mary Anderson with a teacher aide at all times.

Junior Kindergarten programming is available for students turning 4 on or before Sept. 1st and is offered from 7:00 in the morning until 5:30 in the evening. Program placement is contingent upon teacher evaluation and assessment. Children must be fully toilet trained. **Jr. Kindergarten students must be enrolled a minimum of half time (i.e. 5 half days, 2 full days + 1 half day, 3 full days, etc.)**

Jr. Kindergarteners who are not enrolled in before school care should **not** arrive before: morning 7:30AM/afternoon 12:00PM.
